List of Abbreviations.....	VIII
Abstract	X
Zusammenfassung	XII
1 Introduction	1
1.1 Background on research topic.....	1
1.2 Research motivation	3
1.3 Research objectives and approaches	7
1.4 Methodologies	11
1.5 Dissertation structure and overview	15
2 Build, buy, or partner? A systematic literature review on the choice between alternative modes of growth	17
2.1 Introduction.....	18
2.2 Review methodology	20
2.2.1 Research process.....	20
2.2.2 Research framework	23
2.3 Results.....	24
2.3.1 Literature overview.....	24
2.3.2 Antecedents of growth mode decisions	25
2.4 Synthesis and discussion of findings	48
2.5 Future research agenda	53

2.6	Conclusion	58
3	Roles of market characteristics and experience in ventures' international growth mode choice – a conjoint experiment	60
3.1	Introduction.....	61
3.2	Conceptual framework.....	63
3.2.1	International growth mode choice and the role of market factors	63
3.2.2	Cognitive theory and the role of experience.....	64
3.3	Hypotheses.....	66
3.3.1	Impact of market factors on mode choice	66
3.3.2	Impact of experience on mode choice	71
3.4	Research method.....	75
3.4.1	Sample	75
3.4.2	Choice-based conjoint experiment	76
3.4.3	Variables.....	78
3.4.4	Hierarchical multinomial logistic regression.....	80
3.5	Results.....	81
3.5.1	Descriptive results	81
3.5.2	Estimation results	84
3.5.3	Additional analyses	87
3.6	Discussion.....	89
3.6.1	Decision criteria and managerial implications	89
3.6.2	Limitations and research implications.....	93
3.7	Conclusion	95
4	Staging inorganic growth strategies: The effect of prior alliances between buyers and targets on acquisition performance	97
4.1	Introduction.....	98

4.2	Theoretical background and hypotheses.....	101
4.2.1	Mitigation of acquisition failure through pre-staged alliances.....	101
4.2.2	Alliances as real options to acquisitions.....	103
4.3	Method and data.....	107
4.3.1	Data and sample construction.....	107
4.3.2	Variables.....	109
4.3.3	Estimation model.....	113
4.4	Results.....	114
4.4.1	Univariate analysis	114
4.4.2	Regression analysis	116
4.4.3	Robustness checks	118
4.5	Discussion.....	119
4.5.1	Discussion of results.....	119
4.5.2	Contributions to theory and managerial implications	123
4.5.3	Limitations and future research directions	124
5	Conclusion.....	126
5.1	Summary of research findings	126
5.2	Contributions to theory and practice.....	129
5.3	Avenues for future research.....	133
	Appendix	139
	Bibliography.....	164
